Beach House Shake®

The **Authentic** Composite Shingle

Composite shingles that never tell their age.

Beach House Shake's *Rustic Collection* offers the timeless beauty of natural cedar shingles with the benefits of modern performance. Its iconic staggered edge design creates a rich, authentic look that replicates individually installed cedar shakes.

The *Rustic Collection* delivers unmatched realism along with long-lasting performance. And, unlike natural cedar shingles, Beach House Shake's *Rustic Collection* will never discolor - ensuring that it maintains its freshly installed appearance for the life of the home.
